*Discussion concerning presented lectures is planned during "Round Table" session on Friday at 5 p.m.*

**Chairman: prof. Zygmunt M. Kowalski, dr Grzegorz J. Dejneka**

09.10 – 10.00 Unintended consequences of factory farming - Jan Kotwica

10.00 – 10.30 Basic problems in high potential dairy cows nutrition  
- Zygmunt M. Kowalski, Jan Twardoń

10.30 – 11.15 Cow nutrition in periparturient period - David Beever

11.15 – 12.45 Coffee break

**Chairman: prof. Tadeusz Stefaniak, dr Michał Dziecioł**

11.45 – 12.30 Treatment in dry-off period – influence on mastitis control in postparturient period - Andrew J. Bradley

12.30 – 13.15 Pregnancy toxemia in sheep and goats - Walter Baumgartner

13.15 – 13.30 Nutrition versus embryonic death in cows and horses - Leszek Krakowski

13.30 – 14.45 Lunch break

**Chairman: prof. Lech Krakowski, dr hab. Roland Kozdrowski**

14.45 – 15.15 Cow nutrition in dry-off period - Włodzimierz Nowak

15.15 – 16.00 Nutrition of high yielding cows in Czech Republic - Jirzi Trinacty

16.00 – 16.45 Cattle production in tropical areas. Main profiles and challenges - Luis Alfaro Cardoso

16.45 – 17.00 Computer simulation of nutrition influence on cow fertility– Monika Zegiel

17.00 – 17.30 Coffee break

**17.30 – 18.30 “Round Table” – panel discussion**

Moderators: prof. Jan Twardoń, prof. Zygmunt M. Kowalski  
„Veterinarian – nutrition consultant – breeder”

**19.30** Social evening

**Saturday 26.06.2010**

**Chairman: prof. Dariusz Skarżyński, dr Robert Kupczyński**

**08.45 – 09.00** Laboratory tests in diagnostics of cow metabolic disorders

- Tadeusz Stefaniak, Paulina Jawor, Anna Rząsa, Robert Kupczyński

**09.00 – 9.15** Non-saturated fatty acids efficiency in reproductive processes

- Juliusz Strzetelski, Ewa Sosin-Bzducha

**09.15 – 09.30** Influence of water-soluble vitamins on metabolic processes in cows

- Robert Kupczyński, Tadeusz Stefaniak, Michał Dziecioł

**09.30 – 10.15** Cellular and secretory dynamics of the bovine and equine endometrium in the estrous cycle and post partum: comparative studies - Graca Ferreira-Dias, Dariusz J. Skarżyński

**10.15 – 10.30** Discussion

**10.30 – 11.15** Coffee break

**Chairman: dr hab. Wojciech Nizański, dr Michał Dziecioł**

**11.15– 12.00** Systemic mastitis treatment – successful treatment! – Nikolaus Brunner

**12.00 – 12.15** Current view on metritis classification and diagnostics in cattle

- Roland Kozdrowski, Jakub Dejneka, Michał Dziecioł, Jan Twardoń

**12.15 – 12.30** Why chemical fodder analysis is so important in dairy cows nutrition?

- Piotr Micek, Zygmunt M. Kowalski, Jarosław Kański

**12.30 – 12.45** Influence of incorrect cow nutrition on hoof condition - Wojciech Górski

**12.45 – 13.00** Eradication of permanent BVD infections in dairy cattle herds in Poland - Krzysztof Rypuła

**13.00 – 13.45** Discussion

**14.00** Summary and closing of Conference
